

BUSES AND DAYCARE VANS ONLY

17) PARKING/TRAFFIC FLOW

As you drive to our school please use Granby Place to enter the parking lot. We are reserving the circle driveway off of Main Street for our school buses and daycare vans in the morning and afternoon. The staff parking lot will be coned off during the morning until 9:30. If you are dropping off your child, use Granby Place to pull into the parking lot, please pull all the way up to the designated area (near the dumpsters). The new sidewalk will allow students to walk safely from the parking lot and a car can drop off and still exit the lot. The right lane is to drop off students and the left lane will allow vehicles to pull out of the drop off line and exit the parking lot. The left lane is NOT a drop off lane, for the safety of our children only use the designated drop off lane (right lane). To be courteous to all of our drivers, please do not block the drop off area to watch your child walk into the building. If you prefer and do not want to wait in the line of cars, park your car and walk your child to the school using the designated walkway separated by the cones between the parking lot and the playground. DO NOT stop in the middle of the parking lot to let your child out of the car. At the end of the day, for student pick up, please pull all the way forward and fill in the line. After your child gets in the car, please carefully pull around the line to allow the next vehicle to move forward. All students should be using the designated student sidewalk to go to their vehicle or make sure you are walking with your child through the parking lot if you parked your vehicle. **Please be patient during our arrival and dismissal to keep all of our children safe and remember to drive slowly!!!**
