Somali - Akhbaar muhiim ah oo ka socdaa dugsigga. Fadlan qof haa ku turjumo.

November 2022

Dear Parents/Guardians,

As you may know, the State of Ohio has specific graduation requirements consisting of three components:

1. Earn Required Credits
2. Show Competency
3. Show Readiness

For further details on each of the three graduation components for the Class of 2023 and beyond, please visit this link: <https://tinyurl.com/Graduation-Requirements-New>

Your student is expected to take one or more of the State's upcoming End-of-Course Assessments because they are, or have been, enrolled in one of the tested subjects; they earned only 1 or 2 points out of a possible 5 points on a prior administration of the test; or they did not meet a competency score on one of the State tests. Your child will have the opportunity to take the identified test(s) on the following date(s):

Wednesday, November 30 – English I (retakes only)/English II Part 1

Thursday, December 1 – English I (retakes only)/English II Part 2

Tuesday, December 6 – Algebra I/Geometry

Wednesday, December 7 – American History/American Government

Thursday, December 8 – Biology

Ohio's State Tests are produced by the Cambium Learning (formerly American Institutes for Research) and taken online. For additional information and resources on State assessments, please visit

<https://tinyurl.com/State-Test-Resources>

Should you have any questions regarding the winter administration of Ohio's State Test End-of-Course Assessments or the graduation testing requirements, please contact your student's school counselor.

Thank you for your continued support and assistance as we work together to ensure that your student is prepared for these assessments.

Sincerely,

Nicholas S. McIlwain Mrs. Anne Baldwin

Director, Assessment and Alternative Education Executive Director of Secondary Schools
