Process for Participating in
Westerville City School District Extracurricular Activities
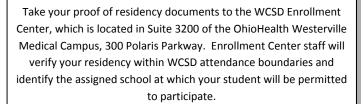

Home Educated Students

Visit www.wcsoh.org and click on the green "Enrolling" tab to determine the documentation necessary to verify residency within in the Westerville City School District (WCSD) boundaries.

⬇

Take your proof of residency documents to the WCSD Enrollment Center, which is located in Suite 3200 of the OhioHealth Westerville Medical Campus, 300 Polaris Parkway. Enrollment Center staff will verify your residency within WCSD attendance boundaries and identify the assigned school at which your student will be permitted to participate.

⬇

Review the list of offered activities posted on each school's website. Meet with the principal at the assigned school to discuss the extracurricular activity in which your student would like to participate.

⬇

Complete and submit to the coach or advisor all forms necessary for participation, depending on the activity (e.g., Physical Form, Emergency Medical Form, Concussion Form, Grade Eligibility Form, etc.) and submit any fees associated with the activity. Enjoy participation with the WCSD!

⬇

(Office Use Only)
Note that the Enrollment Center does not officially enroll the student but confirms within the PowerSchool student database that the student is allowed to participate in extracurricular activities. The assigned school will confirm that the Home Education Packet has been verified by the district.
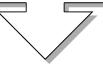

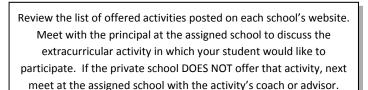

Private School Students

Visit www.wcsoh.org and click on the green "Enrolling" tab to determine the documentation necessary to verify residency within in the Westerville City School District (WCSD) boundaries.

⬇

Review the list of offered activities posted on each school's website. Meet with the principal at the assigned school to discuss the extracurricular activity in which your student would like to participate. If the private school DOES NOT offer that activity, next meet at the assigned school with the activity's coach or advisor.
